Project Supervisor

Scenic Ridge Company is currently seeking to fill a **Project Supervisor** Position. This position requires personal characteristics, technical and managerial skills and 5 or more years' experience in construction.

Additional requirements are excellent verbal communicator, great problem solver, comfortable making decisions, good negotiator, high level of integrity, able to follow through, enthusiastic, hard-working, dedicated and self-starter. Must possess computer skills, understand construction specifications, estimating and construction processes. Must be able to meet deadlines, execute contracts, and initiate relationships with subcontractors, vendors, engineers, architects, clients and their representatives. The successful candidate will be required to work 8-10 hours in an office environment and would be based on a 40 to 50 hour work week.

Necessary assessments and interviews are required prior to hiring. If you are interested, please submit your request for consideration to Scenic Ridge Company through our website.

Scenic Ridge Company provides for an initial 90 day introductory period to provide both you and Scenic Ridge Company with the opportunity to evaluate the employment relationship. You will be evaluated for regular employment status upon completion of the stated introductory period.

We look forward to receiving your interest and qualifications for this position
