### STRUCTURAL STEEL COORDINATOR

Scenic Ridge Company is currently seeking a Structural Steel Coordinator.

Position requires coordinating the constructing of projects with trained foremen, within labor hours, material quantities, and annual company quality and safety standards.

#### Skill Requirements:

- Construction experience – 3yrs.
- Foreman experience – 1yr.
- Management experience
- Well organized
- Strong personal character and integrity
- Good communication skills (both verbal and written)
- Ability to work through complex challenges to completion
- Independent decision making
- Confidentiality
- Work with minimal direction

Successful applicant will be required to work 8-10 hours in a field and shop environment and would be based on a 40+ hour work week.

This position is expected to be filled within the next month. Necessary assessments, interview(s) and reference checks are required prior to hiring. If you are interested, please submit a resume and/or fill out the on-line application.

We look forward to receiving your interest and qualifications for this position.
