### Assistant Field Operations Manager

Scenic Ridge Company is seeking a full-time *Assistant Field Operations Manager* to assist with recruitment; hiring; retainage; management of individuals within the division; asset management; material/service sales; and meet annual goals set by the Field Operations Manager.

Duties also include assisting the Field Operations Manager as needed. This may include loading and unloading trailers, ordering inventory items or job materials and assisting construction employees with day to day equipment needs or supplies.

Essential to the role are:

- Supervisor or foreman experience in structural steel, pre-engineered metal buildings, steel erection and/or miscellaneous metals (trim, stairs, railings, siding mezzanines, standing seam roofing, etc.), strongly preferred
- Working knowledge of commercial construction
- Excellent communications skills, needed
- Computer proficiency essential (MS Office)

Successful applicant will be required to work 8-10 hours in a field and shop environment and would be based on a 40+ hour work week.

This position is expected to be filled within the next month. Necessary assessments, interview(s) and reference checks are required prior to hiring. If you are interested, please submit a resume and/or fill out the on-line application.

We look forward to receiving your interest and qualifications for this position.
