## **Position:** Field Safety Specialist

## **Type:** Full Time (40+ hours/ week)

Are you a professional with a passion for protecting and enhancing the health and safety of workers in construction? If so, Scenic Ridge has an immediate opening for Field Safety Specialist and is interested in hearing from you.

Scenic Ridge is looking for an entry level professional to join our team to help grow and advance new safety initiatives and reduce injuries to support the growth of our most valuable asset, our people.

### **Responsibilities:**

- Duties as required by 1926 OSHA Standards for Construction and 1910 for General Industry
- Ensure compliance for the safety of workers and general public
- Develop safety kick-off presentations and conduct on-site orientations and toolbox talk meetings
- Conduct daily site safety inspections, safety assessments and safety audits
- Assist to Investigate all accidents and complete all required paperwork
- Conduct risk assessments
- Serve as the Vice Chairperson on the company Safety Committee
- Make recommendations concerning the modification, improvement, or removal of any company equipment, facilities, or machinery that is hazardous to employee safety or health
- Compile daily, weekly, and monthly reports as requested by management or customer
- Assist management with overseeing municipalities, OSHA, Insurance carriers and other regulatory agencies
- Work directly with site safety teams, line of business leaders, and field crews on a regular basis to promote company safety philosophies, expectations, and personal responsibility
- Maintain sensitive safety related documentation
- 50% Travel locally to our various sites
- Other duties as required

### **Qualifications:**

- B.S. in Occupational Safety or equivalent work experience and Certifications as ASP, GSP, CSP, CHST, STSC are preferred
- OSHA 10/30 in Construction or General Industry preferred
- Proficient in Microsoft Office (Outlook, Word, PowerPoint, and Excel) (required)
- Ability to teach and train others on safety programs
- Ability to plan and implement projects
- Strong written and presentation communication skills
- Ability to pass a drug/alcohol screening and background check
- Must have a valid Driver's license and a good driving record
- Must be able to walk/stand for greater than 20 minutes
- Must be able to manually lift up to 25lbs

The ideal candidate will align with and strengthen company core values and culture. Competitive wages, benefit package and 401K with opportunity for advancement. Submit SRC application or resume to Human Resources.
