FLEET SERVICES EQUIPMENT TECHNICIAN

Scenic Ridge Company is currently seeking a Fleet Services Equipment Technician.

Position will assist in equipment repair and maintenance of fleet and customer owned assets.

Skill Requirements:

- Perform equipment repair as directed by the Fleet Services Foreman.
- Perform equipment preventative maintenance as scheduled.
- Evaluate equipment for needed repair and/or safety issues and inform the Fleet Service Foreman.
- Perform on jobsite service and repair as needed.
- Own and keep proper tools to perform needed repairs/duties.
- Good communication skills (both verbal and written)
- Ability to work through complex challenges to completion
- Independent decision making
- Confidentiality
- Work with minimal direction
- CDL, preferably.
- Minimum two years' experience repair and maintenance of equipment or vehicles.
- Current Driver's License and medical card required to drive company vehicle.

Successful applicant will be required to work 8-10 hours in a shop and field environment and would be based on a 40+ hour work week.

This position is expected to be filled within the next month. Necessary assessments, interview(s) and reference checks are required prior to hiring. If you are interested, please submit a resume and/or fill out the on-line application.
